Training Process

Starting the Training of Divine Being

Start your training with the **Initiation ceremony** (p. 13) which consists of the World Peace Prayer and a Declaration.

After reciting the Declaration start the **Task 1**: creating the mandalas of the Universal God.

Start with the **Ware Soku Kami Nari** (I am divine being) mandala **first**.

The Order of Tasks

After the Initiation Ceremony, the most important point is to begin with writing the Ware Soku Kami Nari (I am divine being) mandala first.

Once completely finished, then continue with the Jinrui Soku Kami Nari (Humanity is Divine) then. Do not jump from one mandala to the other.

Task 2 and Task 3 should be done while writing the mandalas (the order is up to you). They should be finished before or when completing the Jinrui Soku Kami Nari (Humanity is Divine) mandala. If you cannot finish them before the second mandala, please keep a note of the completion date, so you can use it for the Report card.

Finishing the Training

Upon completion of the training, please fill in the Report card provided.

Take a photograph of each Mandala and paste them on the report card. (Cut to size if necessary)

Send the report to the Byakko Shinko Kai, where you will be registered as a Shinjin.

After that a beautiful Certificate will be forwarded to you from the Fuji Sanctuary in Japan.

The mandalas and writing of Jinrui Soku Kami Nari (Task 2) are yours to keep.

You may frame and display the Mandalas for you and others to see them readily.

TASKS

The training of Divine Being consists of 3 tasks.

Task 1:

Creating two Mandalas of the Universal God.

- 1.1. Ware Soku Kami Nari (I am divine being) mandala

Task 1

1.1. WARE SOKU KAMI NARI mandala

(I am divine being)

Starting the Mandala

!!! Before starting with the writing of the mandala, please go to p.13 and proceed with the **Initiation Ceremony!!!**

After the Declaration part, continue as follows:

- In the appropriate places (see sample p. 17) write with a pencil **Heaven, Earth, Hold the breath, Ware Soku Kami Nari** and **your name**
- Recite the **Declaration** of Ware Soku Kami Nari (p. 14)
- Perform the **IN** of Ware Soku Kami Nari
- Using a black pen, while holding your breath, start writing **Ware Soku Kami Nari** (or in English or in your own language) from the center (smallest circle). (See sample p. 17)
- Write the starting date on the Report card provided

Important points:

- **Hold your breath while writing!** It does not have to be for an extended length of time.
- Make sure that the letters rotate around the circles so

that the bottom of each letter faces the center point.

- Always start a new circle from the Top position (Heaven) and write in a **Clockwise** direction.
- If writing in Arabic, Hebrew, Urdu or any language with similar writing feature (right to left), please write the Mandalas accordingly, in a counter clockwise direction.
- Write the letters as densely as possible
- If you make a mistake, please **do not erase**, or white out, **write over** the words again while holding your breath
- Pay attention to the spacing during the last circle of mandala so you can finish the circle with the whole phrase Ware Soku Kami Nari (I am Divine Being)

Finishing the Mandala

Make sure to finish with the complete phrase (Ware Soku Kami Nari) entered in your last circle.

When finished writing the last circle, please erase the pencil writing Heaven, Earth and Holding your breath.

Also erase your name and Ware Soku Kami Nari that you penciled in and rewrite both with the black pen. (Do not rewrite the Heaven, Earth and Holding your breath parts)

Enter the date of completion above your name.

Once finished, start the Jinrui Soku Kami Nari (Humanity is Divine) mandala.

It is not necessary to say the words out loud.

APPENDIX

Initiation Ceremony

1. Recite the Prayer for World Peace

(In your own language, once or as many times as you wish)

May Peace Prevail on Earth

May Peace be in our Homes and Countries

May our Missions be accomplished

We thank you, Guardian Deities and Guardian Spirits

2. Voice the following Declaration

“In order to realize my inner divinity, and assist humanity on its path of great awakening to truth, on this day I commit to the training of becoming a Divine Being/ Shinjin, so I may continue to emanate the resonance of God’s infinite Love, Forgiveness, and Harmony so as to realize complete World Peace.”

3. Start the Task 1:

Ware Soku Kami Nari (I am divine being) mandala writing. Follow the instructions on p. 6.

Declaration of
WARE SOKU KAMI NARI

(I am Divine Being)

The words I speak are the words of God.
The thoughts I emit are the thoughts of God.
The actions I take are the actions of God.

The words, thoughts and actions of God
are abundantly overflowing with infinite love,
infinite wisdom, infinite joy, infinite happiness,
infinite gratitude, infinite life, infinite health,
infinite light, infinite energy, infinite power,
infinite success and infinite supply ...
They are nothing more, nothing else.

Therefore, Ware Soku Kami Nari,
I speak, think and act just as God does.

I will brighten and elevate myself to become none other
than God
so that when others see me they cannot help but think that
they have seen God.

Those who have seen me have seen God.
I emanate light and continue to radiate
the most supreme infinite love of God
to all mankind.

Declaration of
JINRUI SOKU KAMI NARI
(Humanity is Divine)

What I speak, think and do are only for humanity.
Only for the happiness of humanity. Only for the peace of
humanity. Only for the awakening of humanity.

Therefore, the words, thoughts and actions I myself have
are beyond any selfishness, ego or conflict. They are in
themselves, the Universe, light, truth and the existence of
God.

Any disasters, environmental pollution, hunger or diseases
taking place on Earth occur only in the process of Jinrui
Soku Kami Nari: manifesting God within humanity.

Wars, ethnic and religious conflicts happening in the world
also occur in the process of Jinrui Soku Kami Nari:
manifesting God within humanity.

Thus, I don't hold any criticism, blame or judgment toward any incidents, circumstances, news or information on Earth: toward various ways of living, thoughts and actions of mankind; or toward inventions that have intruded into the realm of God through limited human knowledge.

I do not involve myself with these things, understanding that they occur only in the process of Jinrui Soku Kami Nari: manifesting God within humanity.

I intently continue giving the infinite love, forgiveness and mercy of God to humanity. And until the time when all humanity awakens to truth, I continue performing the IN of Jinrui Soku Kami Nari on behalf of each human being.
