   How to form the In of Great Harmony

   1. Make circles by joining the tips of the forefingers and thumbs.

   2. Link the two circles together.

   The palms face up.
   Either hand can be on top.

   Meaning of the In of Great Harmony:
   Great Harmony is achieved through the exchange of plus (Heaven) and minus (Earth) energy.
With the hands in the starting position, begin to lift them from the body’s center. While making the sound 'uu', keep the circles linked and extend the remaining fingers. Lift the hands in a curving motion until they are level with the eyes.
