## (HUMANITY IS DIVINE)

(The Divinity IN for Humanity, Declaration)

What I speak, think and do are only for humanity. Only for the happiness of humanity. Only for the peace of humanity. Only for the awakening of humanity.

Therefore, the words, thoughts and actions I myself have are beyond any selfishness, ego or conflict. They are in themselves, the universe, light, truth, and the existence of God.

Any disasters, environmental pollution, hunger or diseases taking place on earth occur only in the process of JINRUI SOKU KAMI NARI: manifesting God within humanity.

Wars, ethnic and religious conflicts happening in the world also occur in the process of JINRUI SOKU KAMI NARI: manifesting God within humanity.

Thus, I don't hold any criticism, blame or judgement toward any incidents, circumstances, news or information on earth: toward various ways of living, thoughts and actions of mankind; or toward inventions that have intruded into the realm of God through limited human knowledge.

I do not involve myself with these things, understanding that they occur only in the process of JINRUI SOKU KAMI NARI: manifesting God within humanity.

I intently continue giving the infinite love, forgiveness and mercy of God to humanity. And until the time when all humanity awakens to truth, I continue performing the IN of JINRUI SOKU KAMI NARI on behalf of each human being.

- The Divinity IN can be practised with or without reciting the above Declaration. If you choose not to say the whole declaration, please remember that the word, "JINRUI SOKU KAMI NARI", must always be voiced before beginning the IN.
- On the use of the word God: Feel free to use the word that resonates with your own spiritual values and which connects you to the Infinite Source of Life.
