WARE SOKU KAMI NARI (I AM A DIVINE BEING)

(The Divinity IN for Self, Declaration)

**The words I speak are the words of God.
The thoughts I emit are the thoughts of God.
The actions I take are the actions of God.**

**The words, thoughts and actions of God are abundantly overflowing with infinite love, infinite wisdom, infinite joy, infinite happiness, infinite gratitude, infinite life, infinite health, infinite light, infinite energy, infinite power, infinite success and infinite supply.....
They are nothing more, nothing else.**

Therefore, WARE SOKU KAMI NARI, I speak, think and act just as God does.

I will brighten and elevate myself to become none other than God so that when others see me they cannot help but think that they have seen God.

Those who have seen me have seen God.

I emanate light and continue to radiate the most supreme infinite love of God to all mankind.

- **The Divinity IN can be practised with or without reciting the above Declaration. If you choose not to say the whole declaration, please remember that the word, “WARE SOKU KAMI NARI”, must always be voiced before beginning the IN.**
- **On the use of the word God: Feel free to use the word that resonates with your own spiritual values and which connects you to the Infinite Source of Life.**
